

Saturday Evening

There's no fixed event on Saturday so you can go and check out Karlsruhe's night life if you want; however we've reserved 100 seats at the **Kühler Krug** brewery and biergarten pictured below. At 2.5km from Europaplatz (and less than 2km from Hotel Rio) it is still a walkable distance away but you can also take tram No 6 from Mathystraße (direction "Daxlanden" – don't get confused if other sources say that Kühler Krug is served by tram No 5, this is a temporary change). There might be an option for a tour of the brewery, but this is not sure at the time of printing.
