

Saturday Evening

We have reserved about 100 seats at the **Kühler Krug** brewery and biergarten pictured below, for Saturday starting 19:00. At 2.5km from Europaplatz (and less than 2km from Hotel Rio) it is still a walkable distance away but you can also take tram No 6 from Mathystraße (direction "Daxlanden" – don't get confused if other sources say that Kühler Krug is served by tram No 5, this is a temporary change). See also the map on the opposite page, or the marker on the folded conference map.
